

### Remarks

Applicant requests entry of the amendment to claim 33, as specified above. Claims 1-32 and 34-38 were previously cancelled. Applicant respectfully submits that claim 33 as amended, in view of the present Remarks, is in condition for allowance.

Claim 33 was rejected under Section 102(e) as being anticipated by Guedelia 6,536,043. Applicant respectfully traverses this rejection and requests reconsideration of claim 33 as presently amended.

Claim 33 specifies a method for displaying live continuous video. Guedelia '043 fails to disclose or teach a method for displaying live continuous video. In this regard, Geudelia '043 at col. 2, lines 55-59 clearly specifies transmitting "digital data representing the original". Guedelia '043 thus pre-supposes that an "original" exists which is not transmitted as "live continuous video". Geudelia '043 thus teaches away from the method specified in claim 33. Accordingly, claim 33 is allowable for this reason.

Claim 33, as amended, further specifies that displayed together on a client at least two streams. Geudelia '043 fails to disclose or teach such a construction. Geudelia '043 at col. 2, lines 60-67 and col. 3, lines 1-2 clearly explains that the streams of multimedia data are fed, separately, to "two or more" clients. Geudelia '043 thus teaches away from the subject matter specified in claim 33. Accordingly, claim 33 as amended is allowable.

Applicant respectfully submits that claim 33 is allowable over the cited reference and requests entry of a Notice of Allowance. The requested amendment is believed to place the application in condition for allowance or in better condition for appeal, and its entry is therefor respectfully solicited. If the Examiner has any other matters which pertain to this Application, the Examiner is encouraged to contact the undersigned to resolve these matters by Examiner's Amendment where possible.

The Commissioner is hereby authorized to withdraw or credit any filing fees associated with this Response from Deposit Account No. 50-4128.

Respectfully submitted,
